Well look at all those fancy clothes
but these could keep us warm just like those
and what about your soul? is it cold?
is it straight from the mold and ready to be sold?

...and cars and phones and diamond rings, bling bling
those are only removable things
and what about your mind does it shine org
are there things that concern you more than your time

Chorus

```
      E              B              C#min      A              x3

gone, going, gone everything gone give a damn
gone be the birds when they don't wanna sing
gone people all awkward with their things, gone.

Verse look at you out to make a deal
you try to be appealing, but you lose your appeal
and what about those shoes you're in today
they'll do no good on the bridges you've burnt along the way, oh

Verse (but with chorus chords!!) then **Chorus** (finish on E)
you were willing to sell anything gone with your hurt
leave your footprints we'll shame them with our words,
gone people all careless and consumed, gone
