Sometimes Dave play an open D chord instead of the fancy chord shown above that is played on the record. Up to you, which you wanna do... He did it this way on a radio show I heard and I think it sounded cooler that way than the simple D..

Verse

```
D                Am
I I'm a one way motorway
                C                Em                (Intro chord)
I'm the one that drives away then follows you back home
D                Am
I I'm a street light shining
                C                Em                (Intro chord)
I'm a wild light blinding bright, burning off alone
```

Chorus

```
C                Em                D
It's times like these you learn to live again
C                Em                D
It's times like these you give and give again
C                Em                D
It's times like these you learn to love again
C                Em                (Intro chord)
It's times like these time and time again
```

Verse 2

```
I I'm a new day rising,
I'm a brand new sky to hang the stars upon tonight
I I am a little divided,
Do I stay or run away and leave it all behind
```

Chorus (The riffs at the end are sometimes in 4:4, listen to it!)
